

RIGA PORT CITY NEIGHBOURHOODS

7 distinct districts

THE INNOVATION HARBOUR

An innovative business district for both larger companies and small start-ups, also providing access to Riga's new passenger terminal set to open in 2027.

EKSPORTA BASIN

An urban residential neighbourhood with an industrial riverfront charm for pioneers and the vanguard of contemporary urban lifestyle.

RIGA SOHO

A public district brimming with life, shops, and culture, enriched by the industrial heritage and the Power Station Art Collection and public functions next to the park.

PORT CITY COURTYARDS

A lively, mixed residential neighborhood, dominated by pedestrians and two-wheel mobility solutions, right in the middle of the Port City.

THE RIGA DECKS

The sunny hangout promenade with restaurants, public waterfronts, green spaces, residential developments, and the new concert hall at the river.

MARINA VILLAGE NORTH

A green living and working district with a public promenade and a green, quiet marina side.

MARINA VILLAGE SOUTH

A public district for creative work, entertainment and nightlife with a market, pavilions and green spaces along the water.
